Dear Parent / Carer,

### **Premium School Library Card**

Throughout this week students in year 7 will receive their new premium school library card from Merton's Library Service.

The library card gives you access to all seven libraries across Merton and allows students to borrow up to five books from any Merton library with any late fees waived.

Benefits include:

- Access to hundreds of child/teen eBooks and eAudiobooks which can be downloaded on your computer or mobile device. Visit [www.merton.gov.uk/libraries](http://www.merton.gov.uk/libraries) for more information.
- Access to the library public computers, the internet, and free homework printing (5 black and white prints or 2 colour prints per visit)
- Access to digital resources such as Britannica, OUP and PressReader.++

To access any of the digital resources you need your card number and pin. The pin is the last 4 digits of the card number, and it is recommended you change this by logging into [www.merton.gov.uk/libraries](http://www.merton.gov.uk/libraries) and clicking on 'Log In' to enter your current details, then on 'My Account' if you scroll down you should see an option for 'Change Pin'.

Yours faithfully,

Maria L Taylor  
**Learning and Resources Manager**  
**Working in Association with Merton Library Service**
