

Dear Parent/Carer,

16 January 2024

Subject: Year 11: Coursework/BTEC Support

With GCSE and BTEC Exams approaching soon, I am writing to share with you information about additional support that we are putting in place for your child to support them with the coursework demands of their BTEC or GCSE course in the following subject(s):

- GCSE Art
- BTEC Music
- BTEC Drama
- BTEC Business

If you are receiving this letter, your child's timetable will be amended as of Tuesday 16 January 2024, to provide them with an additional 50min lesson in one of the subject areas listed above in place of either their Core PE or Lifeology lesson.

In these additional sessions they will have extra time with their subject teacher to complete learning, catch up on work missed so that they can excel in their upcoming exams and fulfil their God-given potential.

Many Thanks

J Khan
