Dear Parent/Carer,

I am writing to notify you of a few updates regarding the delivery of our BTEC course. As you know, your child will be resitting Component 1 of the BTEC Tech Award in Music Practice. The reason for this is that we believe that they can attain a higher mark. For this process to be successful, we have put the following support strategies in place:

- 1. Period 6 on Wednesday your child will attend a Music lesson in either Steel Pans or Piano (your teacher will advise which instrument).
2. Your child will attend a lunchtime intervention on a Thursday to improve their written work and composition work.
3. Your child will attend a Music Twilight intervention on Friday 10 October 3:30-6:30pm to amend their written work.

Please note that all these sessions are compulsory and will be on timetable for your child. Failure to attend a session on time will result in a reset and a phone call home. I would be grateful if you could please read through the attached the home-school agreement and return with yours and your child's signature by Monday 29 September.

We want your child to succeed and get the results that they are capable of. Please do encourage them and get in touch with any queries/concerns.

Yours faithfully,

Ms Emily Gaselee

I understand that I must attend all sessions and that the minimum requirement of the course is that I engage in instrumental lessons.
