This procedure is also informed by the JCQ documents **A guide to the awarding bodies' appeals processes (3)**, **A guide to the special consideration process (1, 2, 6)**, **Access Arrangements and Reasonable Adjustments** (Importance of these regulations), **GR (5.4)** and **Suspected Malpractice: Policies and Procedures (3.3)**.

Purpose of the procedure

This procedure ensures compliance with JCQ regulations (GR 5.3) which state that centres must have in place for inspection that must be reviewed and updated annually by a member of the senior leadership team and communicated within the centre, an internal appeals procedure which must cover at least appeals regarding... centre decisions relating to access arrangements and special consideration.

Access arrangements and reasonable adjustments

St Marks Church of England Academy will:

- comply with the principles and regulations governing access arrangements and reasonable adjustments as set out in the JCQ document **Access Arrangements and Reasonable Adjustments**
- ensure that all staff who manage and implement access arrangements and reasonable adjustments are aware of the requirements and are appropriately supported and resourced

In accordance with the regulations, St Marks Church of England Academy:

- recognises its duty to explore and provide access to suitable courses, to submit applications for reasonable adjustments through the access arrangements process and make reasonable adjustments to the service the centre provides to disabled candidates
- complies with its responsibilities in identifying, determining and implementing appropriate access arrangements and reasonable adjustments

Failure to comply with the regulations has the potential to constitute malpractice which may impact on a candidate's result(s).

Examples of failure to comply include:

- putting in place access arrangements/adjustments that are not approved
- failing to consider putting in place access arrangements (which may be a failure to comply with the duty to make reasonable adjustments)
- permitting access arrangements/adjustments within the centre which are not supported by appropriate evidence
- charging a fee for providing reasonable adjustments to disabled candidates

Special consideration

Special consideration is given to a candidate who is affected by adverse circumstances beyond their control at the time of the assessment. It is applied when the issue or event has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate their normal level of attainment in an assessment.

St Marks Church of England Academy will:

- comply with the requirements as set out in the JCQ document **A guide to the special consideration process**
- ensure that all staff who manage and administer special consideration applications are aware of the requirements

Where St Marks Church of England Academy has appropriate evidence authorised by a member of the senior leadership team to support an application, it will apply for special consideration at the time of the assessment for the affected candidate/candidates.

Centre decisions relating to access arrangements/reasonable adjustments and special consideration

This may include:

- a decision not to award/apply for a specific access arrangement/reasonable adjustment or to apply for special consideration, in circumstances where a candidate does not meet the criteria for, or there is no evidence/insufficient evidence to support the implementation of an access arrangement/reasonable adjustment or the application of special consideration

Where St Marks Church of England Academy makes a decision in relation to the access arrangement(s)/reasonable adjustment(s) or special consideration that apply for a candidate or candidates:
