

Dear Parents and Carers,

16 December 2025

Year 11: English Language Paper 2 mock exam

We are writing to let you know about an important English Language mock exam we are running in January to support your student in making progress towards the external exams.

Whilst we are pleased with the continued effort and motivation year 11 students have demonstrated towards their previous mock exams, unfortunately we do feel that students did not quite make the expected progress in the November series and are therefore holding an additional mock exam to support students in the time management and practice of Language paper 2.

The exam will take place on **Weds 14 January 2026** in the morning and is 1 hr 45 mins in length.

The exam involves reading two non-fiction extract and contains two sections:

- Section A: Reading
- Section B: Writing

To encourage students in their revision towards this mock, we ask that you support students in practicing the past paper and revision materials posted given to your student as HW over the school holidays. Details of these materials can also be found on Bromcom.

There are also some very helpful resources available on BBC Bitesize to support your students' revision. Please only look at the resources for the exam board AQA;

Thank you for your support in this valued work. If you have any questions or queries, please do not hesitate to contact your child's English teacher or me, as Head of Department.

Yours faithfully,

Miss K. Poulton

Head of English
