Dear Parent/Carer,

Year 10 Parents' Evening & Work Experience 2026

I am writing to invite you to attend our upcoming Year 10 Parents' & Carers' Evening, which will take place **Thursday 5th February 2026, from 4:45pm – 6:45pm.**

This evening provides a valuable opportunity to meet your child's subject teachers and to discuss their progress, engagement in learning, and transition into GCSE study.

We also look forward to providing you with information on work experience and how we can support you with finding the best possible placement for your child. Year 10 is an important year, and these conversations help ensure that students feel supported both at school and at home.

During the evening, teachers will be pleased to:

- Share information about your child's current attainment and effort
- Identify strengths and areas for further development
- Offer guidance on revision, organisation, and preparation for assessments

We strongly encourage all parents and carers to attend, as your involvement plays a key role in supporting your child's success.

Thank you for your continued support. We look forward to welcoming you and working in partnership to support your child throughout Year 10.

Yours faithfully,

Ms Khan / Mr Warsop
Senior Vice Principal – Quality of Education
