Dear Parent/Carer,

I am writing to kindly remind you that homework for all Key Stage 4 French and Spanish students is set **weekly on ActiveHub**. Completing this homework is **compulsory** for every KS4 student, as it forms an essential part of their preparation for their GCSE examinations.

Regular homework on ActiveHub provides a number of important benefits:

- **Skill Improvement:** Tasks are designed to strengthen key GCSE skills, including vocabulary recall, grammar accuracy, reading comprehension, and listening skills.
- **Consistent Practice:** Short, regular activities help students retain language structures more effectively over time.
- **Personalised Support:** The platform allows students to practise at their own pace, receive immediate feedback, and revisit areas they find challenging.
- **GCSE Readiness:** By completing the assigned activities, students build confidence and fluency, which have a direct impact on their performance in both the Foundation and Higher GCSE exams.

We kindly ask for your support in ensuring your child completes their weekly homework on ActiveHub. Your encouragement at home makes a significant difference to their progress and confidence in French and Spanish.

If you have any questions or need support accessing ActiveHub, please do not hesitate to contact us.

Thank you for your continued support.

Yours faithfully,

Ms H Helali
Head of MFL
