Dear Parents and Carers

Hot Weather Uniform Changes – Until the end of term

Due to the continued warm weather, students may wear their PE kits until the end of term. Please ensure students wear the correct PE kit: a St Mark's branded polo shirt and black striped shorts. Students are not permitted to wear branded items to school.

Students may, if they wish, continue to wear their school uniform, however, blazers will not be compulsory. Students must continue to wear a school shirt that buttons up and must wear their school tie at all times. The remainder of the school uniform should also be worn correctly, and students are expected to maintain a smart and professional appearance.

Students are also reminded to bring an appropriate water bottle to school to fill up at break and lunch time.

Hot Weather Behaviour Expectations:

Students are reminded that high standards of behaviour are always expected. Prohibited items must not be brought onto the school site, including water guns, water balloons, balloons, or any other items that may cause disruption, discomfort, or safety concerns. Students should act responsibly, show consideration for others, and follow all staff instructions throughout the school day.

Any prohibited items brought onto site will be confiscated and may result in further sanctions in line with the school's behaviour policy.

Thank you for your continued cooperation and support.

Yours faithfully,

Aimee Gallagher

Headteacher
