Dear Parents and Carers,

We are writing to inform you about the intervention sessions taking place on **Tuesday, Wednesday and Thursday**.

INTERVENTION CYCLE

- Cycle 1: 07/09/26 – 09/10/26 (5 weeks)
- Cycle 2: 23/11/26 – 29/01/27 (8 weeks)
- Cycle 3: 08/03/27 – 23/04/27 (5 weeks)

Intervention this week is only for **Core subjects** while we assign students to the most suited intervention. Students and parents will receive Timetables **next week** for the intervention sessions they will have on **Tuesday, Wednesday and Thursday** in the coming weeks, this week students will have **Maths, Science and English** on the following days.

- Tuesday – Maths
- Wednesday – Science
- Thursday – English

These intervention sessions are designed to provide students with additional support and opportunities to strengthen their knowledge and understanding in these key subjects. At the end of each intervention session, all students will **line up with their coaches in the Quad area by 4:10 pm**. Students will then have their phones returned to them by **4:20pm**, after which they will be dismissed.

We appreciate your support in ensuring that students attend these sessions and are collected or make their way home safely following dismissal. These intervention sessions form an important part of your child's preparation for their examinations, and attendance is therefore compulsory. Failure to attend without a valid reason will be recorded and may result in a detention being issued. If your child has a reason to not be in attendance, please email the following staff:
